Imperia, 9th December 2006 - No race in the second day for 420, 470 and L'Equipe class Imperia Winter Regatta. After the storms of the opening day, the weather was good in a sunshine day: the sea was still rough, but the wind was good for sailing. Unfortunately the Coast Guard advised a south-westerly storm warning and did not allow the 250 boat fleet (11 countries- Austria, Estonia, Finland, France, Hungary, Germany, Netherlands, Poland, Italy, Monaco, Switzerland) to go at sea. For this reason the Race Committee with its chairman Fulvio Parodi from Imperia was forced to hoist AP ashore and keep the team waiting for better weather conditions. Unfortunately meanwhile the wind dropped completely and at the beginning of afternoon the RC cancelled every activity. Tomorrow 470, 420 male and L'equipe start is scheduled at 9.30 am; 420 female at 9.45am. The prizegiving ceremony will be run after the races with Yacht Club Imperia chairman Riccardo Guatelli in Porto Maurizio harbour marquee.

Motoplanet, area store of DUCATI, the company established in 1926 and producing sport motorbikes featuring powerful "desmodromics" engines, innovative design and vanguard technology will be present at IWR with brand new model 1098 from 8th to 10th December exhibit on the area where the boats will be parked ashore, on the harbour.

The IWR event has the contribution of the Sport, Tourism and Events Council of the town, the patronage of the local governments and the cooperation of the Coast Guard, Imperia Mare (tourist harbour of Imperia), and LNI Imperia. Technical sponsors of the event are Outreach Communication, Business Design, ICS (Internet Communication Solutions), Ingemar, North Sails Italia.
